Montessori: The Basics and the Benefits

Come experience a “day in the life” of a child at Montessori Kids Universe

The first five years of your child's life are the most important in their academic, social and emotional development. During this learning session and Open House, Ms. Emma and Ms. Alyssa, our Primary Room Montessori Teachers, will share the basics and the benefits of the Montessori approach with you. You will also have an opportunity to explore the learning materials your child will use and ask those questions you've always had about Montessori.

Please RSVP to headofschool.mason@mkuschools.com if you will be joining us.

Date: Saturday, December 14
Learning Session: 10:00am
Open House: 10:30am~12:00pm
