

The Dorothy Day Fellowships at Lydia's House Catholic Worker, Cincinnati, Ohio

Lydia's House of Cincinnati, Ohio is offering fellowship opportunities to women of faith who desire to spend two years living and working with families experiencing homelessness. The fellowship areas are as follows: **Maternal and family health, Early childhood/Montessori education, Community based ministry, and nonprofit leadership.**

Fellows will be offered a living stipend, a private living suite in a Lydia's House owned property, meals with the community, and an educational grant to attend classes at nearby Xavier University. Available master's level programs include clinical Mental Health Counseling, Montessori teaching, Theology, Nursing or Advanced Practice Nursing, and Business Administration.

Applicants must be available to live in the Lydia's House community for a minimum of two years, do on-call evening and weekend hours, have a bachelor's degree or equivalent experience, and have a valid driver's license. Previous experience working with families in crisis is preferred.

For full job descriptions and to receive an application, email maryellen@stlydiashouse.org or visit stlydiashouse.org/fellowship.
