About Trent Montessori

Trent Montessori, founded by Jan Haas, Sept. 15th, 1981, began in a Victorian house at 324 Overton Street, Newport, KY, designated “The Trent House”, a Kentucky Landmark. The school moved in 1982 to 305 Park Avenue. Jan’s AMI examiner was Renilda Montessori, Maria’s grand daughter, who inspired and encouraged Jan to start her own school.

The school has grown from 4 students in 1981 to 80 in 2021 with the addition of our Toddler Montessori Program in 2018.

Our Montessori class is composed of the blending of age 3 to 6 year old children. It is a prepared environment that meets the needs of the whole child – his mind, his body and his spirit. The children work at their own rates with self-chosen materials which encourage and stimulate them to investigate their world through practical life and sensorial activities, math, language, reading, geography, history, creative writing, science, indoor and outdoor gardening, sewing, music, and art. The benefits the children derive from this program are: independence, self-discipline and self-control, the ability to work together and share, a community spirit, self-confidence, self-respect, a successful and positive school experience and a lasting love of learning.
