

XUMI'S LIFELONG LEARNING SERIES
PD WORKSHOP

EARLY CHILDHOOD MENTAL HEALTH

SATURDAY OCT. 15, 2022
9:00 AM - 11:30 AM
XU JOSEPH BUILDING

**CATHERINE GUIMARAES,
MA, LPC, ECMH-C**

This training explores the foundational concepts of early childhood mental health, including brain development and social-emotional learning that takes place from birth to age 8. Participants examine the complex interplay of early experiences, social, emotional, behavioral, and relational health that supports the foundation of all future learning.
