

## Full-Time Preprimary Teaching Position

Good Shepherd Catholic Montessori (GSCM) is seeking a dynamic individual to join our Preprimary team as a lead director/directress for the 2024-25 school year. This position begins August 1st 2024. The director/directress will join our preprimary team of teachers, serving three different 3-6 environments. The environment has a full complement of Montessori materials. Preschool children attend half day and Kindergarten children attend full day. An assistant teacher is in the classroom for the morning session.

GSCM offers a strong Catholic identity and the Catechesis of the Good Shepherd to help children develop a profound, joyful relationship with God. Applicants should be able to support a vibrant Catholic environment, which integrates Catholic faith formation with Montessori's view of the whole child. CGS is incorporated in each preprimary environment with an in-class atrium environment as well as scheduled time in the large atrium. Preprimary directresses serve as catechists for their children. GSCM offers catechesis training for those who are interested.

We have fully-equipped Montessori classrooms with classroom budgets to encourage teacher creativity. Teachers also receive support through professional development funds and an incredible outpouring of parental support in many ways. GSCM offers competitive salaries and benefits, a vibrant Catholic atmosphere, a joyful child-centered community, and a happy, spiritual working environment.

The ideal candidate will hold a valid teaching license or non-tax alternative as well as an appropriate Montessori certification. The school would support Montessori training for a qualified candidate including mentorship in the classroom. Candidate must follow Archdiocesan guidelines for safe environment training and pass a background check.
