

Montessori Academy of Cincinnati is seeking a Physical Education teacher to lead classes for our Elementary students. The position is part time (two days a week- schedule TBD), teaching grades one through eight.

MAC is located near Mason, Ohio. We are housed in a beautiful, spacious building located on a 2+ acre campus with a full size gymnasium.

#### Qualifications

- Experience working with children
- Background in physical education, sports, health, coaching, etc.
- Education Level: Bachelors or Masters, Teaching license and Montessori credential preferred
- Strong communication skills, including the ability to interact with parents and other staff members
- The ability to be patient, collaborative, creative, and passionate about education is essential for this role

#### Responsibilities

- As a Enrichment Teacher, you will develop and implement age-appropriate curriculum in Physical Education, plan engaging activities to promote cognitive, social, and emotional development, and assess and document your student's progress
- Help lead innovative learning activities that promote children's development and growth
- Ensure the safety and well-being of children at all times
- Monitor children's progress and development
- Create a harmonious environment where children and fellow teachers enjoy coming to each day
