

**Job Title: Montessori Teacher****Job Description:**

We are seeking dedicated Montessori teachers to join our K–12 teaching team. In this role, you will foster independence, curiosity, and growth by creating a nurturing classroom rooted in authentic Montessori principles. Join our supportive and collaborative school community, where your commitment to whole-child education will have a lasting impact.

**About Us:**

Creative World of Montessori provides a premier Montessori education to students three years of age through high school throughout the Dayton region. The Montessori curriculum allows preschool through high school students to learn at their own individual pace and according to their own passions, cultivating a love of learning that sets the foundation for student success.

Since 1975, CWCC has provided high-quality education and care for children in the Greater Dayton area. Through personalized learning experiences and a commitment to excellence and safety, we support the growth and development of every child, nurturing their potential and fostering a love for learning. We provide a safe and caring environment where safety and education come first. Each of our prestigious and nurturing educational institutions provide a space for children to foster creativity, discipline, and well-rounded development.
